Kiruna Winter
4 nights / 5 days
Regular FIT

Day 1: Arrive Kiruna
Transfer from Kiruna Airport to your hotel. Kiruna is a proper working town built around one of the world's largest iron ore mines — LKAB has been pulling ore out of the ground here since 1900, and the mine is so big it forced the entire city centre to relocate a few kilometres east. That backstory is worth knowing before you arrive; it gives the place an edge that generic Arctic destinations don't have. Get settled, find somewhere to eat, and get to bed at a reasonable hour — the programme starts tomorrow morning. Overnight in Kiruna.
Included: Private transfer, Kiruna Airport to hotel

Day 2: Dog Sled & Northern Lights Chase
The morning belongs to the huskies. Suited up in warm gear, take a 2–3 hour dog sledding tour through snow-covered forest, guided by an experienced musher — powerful Alaskan huskies pulling you along hand-groomed trails, with a warming stop at a tipi halfway round.
The evening is a different kind of pursuit. Board a minibus with Aurora Polaris and head out into the polar night, ranging up to 200km from Kiruna to find clear skies and active aurora. Your guide tracks live solar storm and weather data to maximise your chances — there are no guarantees with the Northern Lights, but this is as systematic as the hunt gets. Overnight in Kiruna.
Included: Dog Sled Adventure, 2–3 hours | Northern Lights Chase by minibus, approx. 4 hours

Day 3: ICEHOTEL & Jukkasjärvi
The village of Jukkasjärvi sits about 20km east of Kiruna on the Torne River, and in winter the river is what makes the ICEHOTEL possible — tonnes of ice harvested annually to build something that melts completely every spring and is rebuilt from scratch the following year. The guided visit takes you through the ice art exhibition at your own pace — each suite a commissioned artwork carved by a different artist — before moving on to the old Sámi church, the northernmost in Sweden with parts dating to 1607. The tour finishes at Nutti Sámi Siida, where you meet reindeer and hear the guide cover Sámi culture and Kiruna's history. Overnight in Kiruna.
Included: Tour to ICEHOTEL & Jukkasjärvi

Day 4: Arctic Wildlife Safari by Snowmobile
Picked up from your hotel and driven to the starting point near the Kalix River before heading out on snowmobiles through montane forest and up onto the bare mountain. The lower forest is prime moose territory; higher up past the treeline it's reindeer country, grouse in full winter plumage, and open tundra where wolverine and lynx move at night and leave tracks in the snow for daylight reading. Your Sámi guide covers the history of reindeer herding and what life looks like for the people who still practise it. The day ends with a late lunch of traditional Sámi dishes as the polar twilight settles in. Overnight in Kiruna.
Included: Arctic Wildlife Safari by Snowmobile

Day 5: Depart Kiruna
Transfer to Kiruna Airport.
Included: Transfer, hotel to Kiruna Airport
